

General Expectations

- Complete and record in Managebac at least 6 meaningful SA experiences
- Meet all 7 learning outcomes
- Provide evidence, reflections and supervisor reviews for all SA experiences
- SA is ongoing over 18 months (9th & 10th grade)
- SA experiences are personal to individual student

Organizing Evidence & Reflections

- Choose a name for your SA experience. This one experience will need approval. Once approved in Managebac, you'll need to add evidence and reflections
- Evidence and reflections should reflect your learning from the experience and align to the learning outcomes
- Supervisor review: Choose an adult who can attest that you've completed the experiences

CAS Portfolio

- A record of all CAS experiences are kept under the SA tab in Managebac
- Students need at least 6 meaningful experiences over 2 years. (See deadlines for each grade level)
- Students record evidence, reflections and supervisor reviews in the portfolio on Managebac

Overall Approach

- Balance. Seek experiences that encompass all three strands
- Live it. Love it. SA should help you explore your interests
- Be supported. Utilize your IB Coordinator & teachers. Ask questions. Be actively engaged
- Commit to the timeline. Check the MPHS deadlines.
